SNAP Outreach RFP Q&A

Q1: What would be eligible for the match? If we move forward with applying, we would like to know if the salary for our program director that runs our food pantry be allowable?

A1: According to federal guidance, salaries and benefits of employees are allowed or the time devoted and identified specifically to SNAP outreach. There would have to be documentation supporting the direct allocation of these costs to these activities.

This individual needs to be performing activities directly related to the purpose of the award.

As described, the review team doesn't view this position as part of an indirect allocation.
